Tracy Tran

Tea Society Manager
55 N Milpitas Blvd
Milpitas, CA 95035
ly.tran@gmail.com

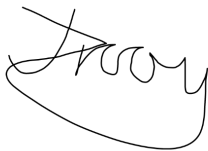

Dear Ms. Tran,

I am highly interested in working at Tea Society located at Milpitas. Currently, I am first-year student enrolled at San Jose State University, majoring in computer science. Through proper class scheduling, I will be able to work during the weekends and certain weekdays. I believe I am suited for taking the position as a tea barista and cashier.

During my high school years, I have taken a college communication class and was an academy student council member. I have done a lot of public speaking and I am comfortable talking to people that I don't know. Additionally, I have done a lot of hands-on community service work which is detailed on my resume. Moreover, I have my own expresso machine at home. I have brewed my own drinks and understand the basic fundamentals for creating hot beverages.

Thank you for considering me for this position. I look forward to hearing from you.

Sincerely,
